**PRESS RELEASE**

**ROUSING TOWN CAROL SERVICE WELCOMES THE FESTIVE SEASON!**

On Sunday 18<sup>th</sup> December the Stowmarket Town Carol Service took place in St Peter and St Marys Church. The church was well attended and looked beautiful amongst the twinkling lights of the Christmas Tree Festival. The Combined Churches Choir bolstered the carol singing and entertained the congregation with their wonderful renditions of O come, O come Emmanuel, An Angels Prayer and The Shepherds' Farewell.

Town Mayor, Councillor Barry Humphreys said, "It was a truly joyful and heart-warming occasion. The church was full of people from across the local community and I would particularly like to thank the Combined Churches Choir and everyone who participated in the collection for the Mayor's charities."

After the service festive refreshments were provided by the Town Council.
