

STOWMARKET TOWN COUNCIL
PRESS RELEASE

New business in the Market Place

Stowmarket has a rich history of being a market town where the vibrant market takes place in the town centre throughout the day, every Thursday and Saturday and is growing week by week.

The bustling Market Place adds vibrancy and diversity to the local economy and the Town's official 'Market Town' status is an enviable asset that we want to develop and build upon with the help of our Market Warden; Jerry Humphreys.

Will from Wooster's Bakery is a recent addition to our weekly street market. He voiced his enthusiasm of being part of a growing Market Place here in Stowmarket Town saying "*There's nothing better than freshly made bread and seeing a gap in the Market Place it was a perfect opportunity to bring our products from our Bakery in Bardwell to the community of Stowmarket*".

Do you make beautiful craft products, sell nuts or spices, preserves, stationery, baked goods or have a new and unusual line? If so, Stowmarket Market could be the perfect place for you to sell your goods.
